

Standard operating procedures (SOPs)

### SOP for approval process. Submitted to "e-NagarPalika"

#### **Process Flow- New Sewerage Connection**

#### **Procedure:**

- Citizen come to mpenagarpalika portal, fills the details, and upload mandatory documents. Portal link https://www.mpenagarpalika.gov.in/irj/portal/anonymous
- After submitting the request application number generated.
- **Document verification** For applied application Document verification officer verifies the application and send to next level.
- **Site Inspection** Inspection officer inspects the site and updates Field inspection checklist and attach the inspection report and send to next level.
- **Demand Generation** After the site inspection, ULB employee generate the demand for the application.
- **Fees payment** Cashier Collects the new Connection charges at ULB if citizen come for pay at ULB or citizens can pay online also through the citizen portal.
- **Final Approval** Approver verifies overall details and approves. At any point in processing, application can be sent back for more clarification OR rejected.
- Status ULB user can track and check the status of application on every level.
- **Notification** Citizen/ULB employee get notification through message on mobile number and on email ID on every action/posting.

#### **Mandatory Documents:**

• Property tax receipt

#### Fee Details:

- 1. Connection fees as per ULB
- 2. Monthly charges as per ULB

Sewerage tariffs differ in each ULB. For details go to: https://www.mpenagarpalika.gov.in:8001/sap/bc/webdynpro/sap/ZEODB\_SWE\_CONNECTION?sap-client=500&saplanguage=EN#

#### Service Timeline: 30 days

#### **Disclaimer:**

The procedure for new sewerage connection is the same for all the application irrespective of risk category, size of firm, business location and Foreign/ Domestic investor.

#### **1st LEVEL APPROVAL**
